It takes about 60 minutes from Takayama by Route 158, and about 10 minutes from Hirayu by Route 471. Cross the Takara-bashi bridge (red bridge on the right side of the image) and turn right at "the Tochio Intersection".

2

From Toyama, it takes about 1 hour and 40 minutes from Route 41 to Route 471. Go straight through "the Tochio Intersection".

3

After passing "the Tochio Intersection", you will pass through the first tunnel, "the Kansaka Tunnel".

4

You will pass through the second tunnel, "the Gamada Tunnel".

5

Cross "the Nakao-bashi Bridge" immediately after exiting "the Gamada Tunnel" and go to the left.  
※Please note that the road becomes narrower on the way.

6

Turn right at an acute angle as the cave entrance will come into view in 1-2 minutes after passing through "the Nakao-bashi Bridge".  
※If you continue straight ahead, you will arrive at the No. 1 Ropeway "Shinhotaka Onsen Car Park".

7

Turn right and follow the road. You will see "the Nonohana Sanso" on the way. Follow the road to the right.

8

You will arrive at the Nabedaira Kogen Car Park.  
From the Nabedaira Kogen Car Park, it takes 2-10 minutes by walk to the ropeway station.

※It is not open during the snow season (early November to late April).
